

Privacy Policy

The use of my website www.hoinkis.cz is possible without providing any personal data; however, if a data subject wants to use certain services using my website, the processing of personal data could become necessary. If the processing of personal data is necessary and there is no statutory basis for such processing, I generally obtain consent from the data subject.

The processing of personal data, such as the name, address, e-mail address, or telephone number of a data subject shall always conform to the General Data Protection Regulation (GDPR), and in accordance with the Czech data protection regulations. By means of this Privacy Policy, I would like to inform the general public of the nature, scope, and purpose of the personal data I collect, use and process. Furthermore, this Privacy Policy lists the rights of data subjects.

As the controller, I have implemented numerous technical and organizational measures to ensure the most complete protection of personal data processed through this website. However, internet-based data transmissions may in principle have security gaps, so absolute protection is not guaranteed. For this reason, every data subject is free to transfer personal data to us via alternative means, e.g. by telephone or analogue post.

1. Definitions

This data protection declaration uses the terms of the General Data Protection Regulation (GDPR).

2. Name and Address of the controller

Controller for the purposes of the General Data Protection Regulation (GDPR), other data protection laws applicable in Member states of the European Union and other provisions related to data protection is:

Ulrike Hoinkis
U Studánky 18

17000 Praha 7

Czech Republic

Phone: +420608084453

Website: www.hoinkis.cz

3. Collection of data and information

This website does not collect data during its viewing and usage. It does not use cookies or similar technologies.

If a data subject contacts the controller using the contact form, the personal data transmitted by the data subject are automatically stored. Such personal data is transmitted on a voluntary basis and is stored for the purpose of processing or contacting the data subject by the controller. The data will not be transferred to third parties.

4. Routine erasure and blocking of personal data

The data controller shall process and store the personal data of the data subject only for the period necessary to achieve the purpose of storage, or as far as this is granted by the European legislator or other legislators in laws or regulations to which the controller is subject to.

If the storage purpose is not applicable, or if a storage period prescribed by the European legislator or another competent legislator expires, the personal data are routinely blocked or erased in accordance with legal requirements.

6. Rights of the data subject

The data subject has the right of confirmation, right of access, right to rectification, right to erasure, the right of restriction of processing, right to data portability and the right to object data processing.
